**W. STEPHEN LOVE**  
DFWHC President/CEO

It's been a trying year for all of us, but we hope everyone has been able to stay safe. The COVID-19 pandemic has challenged our society. During this difficult time, I have witnessed first-hand our hospital heroes rising to the occasion. I have never been prouder to work with our hospital employees and leaders.

Unfortunately, we had to cancel the in-person Annual Awards Luncheon this year due to obvious public health reasons. But per the Dallas-Fort Worth Hospital Council's Board of Trustees, we believe it is our duty to honor this year's dedicated heroes of healthcare. And so, a tradition that has taken place in North Texas for over seven decades will continue virtually.

This year, we will honor recipients for the **Distinguished Health Service Award**, the **Young Healthcare Executive of the Year Award** and the **Kerney Laday, Sr. Trustee of the Year Award**. We will acknowledge these healthcare heroes with a live virtual tribute on **October 20, 2021** from **12 noon to 1:30 p.m.** This year's event is themed "Heroes," with American hero **Jim Craig**, the goaltender from the 1980 U.S. Olympic "Miracle on Ice" hockey team, serving as keynote speaker. Jim will be flying to Dallas-Fort Worth personally to provide an inspirational message to our many healthcare heroes.

Sponsorship opportunities are available. Whether you would like to share your support for the recipients or the opportunity for prime exposure, we have created this package for you. We appreciate your consideration.

Join us in celebrating not only these healthcare heroes, but your own dedication as you have worked tirelessly in support of the belief that better health makes a better community. We appreciate your work and participation.
